

Greetings to all our Agapé friends,

Over the past 4 weeks, Agapé Fellowship has been having the most amazing time as, time after time, Jesus has poured out His love upon us. We have seen His hand in healing people, delivering people, pouring out His Spirit upon many.

Holy Spirit has been poured out in a 'wine-tasting' shop, travel agents (stone deaf ear opened completely) and the hospital where a paralysed stroke victim was restored. Amazing miracles!

Jean-Marc spoke to a completely packed house on Sunday morning, and then we witnessed another 4 baptisms take place. All gave their testimony of receiving 'new hearts', of being delivered, receiving inner healing, and just being 'set free'. They now sing in tongues, pray for the sick & gossip the Gospel of Jesus everywhere. A total and utter change of life for them, happier people you could not find. Thank you Jesus, we are in awe!

We also had 2 visitors from Holland who asked for prayer to receive the Holy Spirit, which God poured out on them.

And we also prayed for Marc Vialle, as he sets off on his missionary journey with Michel Chevalier.

Hallelujah! Jesus is real, relevant, and is truly on the move in SW France.

*Therefore we have been buried with him through baptism into death, in order that just as Christ was raised from the dead through the glory of the Father, so also we may live a new way of life. **Romans 6:4** (LEB)*
