

Greetings to all our Agapé friends,

Over the weekend 110+ people gathered at our fellowship meetings to hear Lindy-Ann Hopley minister. She's a South African born lady from Cape Town, and came to us after leading team healing sessions at the famous Lourdes Shrine.

On Saturday afternoon we had an informal tea & cakes party get together, followed by our usual Sunday morning meeting... with healing!

The theme for Lindy-Ann on Saturday was an unusual and inspired full evangelistic message, and 16 people responded to the gospel and to her altar call. Hallelujah!!

At our Sunday healing meeting we saw healings, miracles, deliverances, with even more people responding to the gospel!!

On both days, people were met by God's Holy Spirit as He came down among us and baptised with fire. Some people got very hot, others said they were floating on air, and one lady confessed how God had made her all clean on the inside. Legs grew out, backs were healed, deaf ears opened as God's Spirit invaded the place. One lady was healed from discs being fused since she was sixteen, which meant she could never touch her toes...and the list goes on.

Earlier in the week, serious back problems were healed and a lady paralysed from a stroke was visited in hospital and received healing from her numbness.

Then, whilst visiting a wine-tasting shop an assistant with shoulder problems was healed and met the Holy Spirit. She immediately went and told her colleagues next door saying.. *'you will never believe what just happened to me!'* One of them was deaf, and after prayer God opened her ear perfectly, and the other lady was also healed of shoulder problems. They were all ecstatic!

To crown our amazing week; after the service on Sunday afternoon, a crowd gathered as four young people were obedient and went into the waters of baptism. That's five for the week, and we have two more baptisms at our meeting next weekend!

Agapé has come of age. God has blessed us all with his love and the pouring out of His Spirit. And, we continue to pray more Lord, more...
