

Greetings to all our Agapé friends,

As we gathered there was a glorious sense of joy in each other, and witnessed through the loving expression of our oneness. The grace of fellowship flowed as we prayed & worshipped together, focussing on our love & praise of Jesus.

We heard testimonies from Andrée & Pam before Paul brought us a message on the perfect love, joy & freedom that can only be experienced in Jesus.

You can listen to Paul's message by double-clicking on the following link...[Paul audio message](#)

We continued to pray for one another as we shared our testimonies of the love of Jesus.....

*And we also encourage you to 'live each day feeding on Jesus' great love for you.
His perfect acceptance of you. Nothing in this world can separate us from His Love.'*

The passion of God is that we are set free into all Christ has given us, that we live each day in the full radiance of who we are in Him.

Family Prayers

Please join with us as we give thanks to God for His anointing on our fellowship, enabling us to grow & become who we are in Him, continuing to be blessed in our calling to be His disciples in SW France.

Would you please pray for our very special friend Jemima Ooi, who is now back in The Congo sharing the love of Jesus. Jem has a great love for the Congolese people and she says that the need is greater than ever.

And, we'd love to have you partner with us in our intercessory prayers to bring the Gospel Music Festival (GMF) to Bergerac in 2018.

Keep your thoughts continually fixed on all that is authentic and real, honourable and admirable, beautiful and respectful, pure and holy, merciful and kind. [Philippians 4:8TPT]

Just believe what God says that Jesus has done for you, body, soul, and spirit - think about it, talk about it, sing about it, shout about it, and the praise cure has begun. Lillian B. Yeomans
