

Greetings to all our Agapé friends,

Many gathered this morning as we enjoyed a powerful meeting, led through by Paul with our speaker Victor Owens. Paul first shared with us how the Holy Spirit had come down upon him the previous evening, and the impact he was still experiencing. This foundation seemed to pave the way for the Holy Spirit to come and powerfully anoint the entire meeting. Even before Victor spoke many were ministered to by the Lord, including Paul & Jean-Marc who both knelt in the centre of the room to receive prayer.

After a time of worship, Victor spoke with great vigour and an openness that blessed us all, with many eyes flowing with tears. His message was so direct, but enfolded with such love, that God opened up many hearts to receive all that He wanted to bring them. God is such a heart expert, and many were moved and stirred as the anointing flowed across our meeting.

MY GOD IS
Near
Psalm 145:18

A fire tunnel was later formed, and before long the scene resembled a battle field. So many were touched by the Lord and found it impossible to stand. No-one can resist when God shows His mighty hand. But His mighty hand ministered His sweet love, and it was such a wonderful time we all witnessed. It was a sight to behold and something we had diligently prayed for and longed to see. God, once again answered our prayers through His love and power.

Whenever we experience God's presence, we all stand in awe, and this was no exception. This was the most powerful Agapé meeting so far, and so we believe we can truly declare that 'God is at work in France.' What a day!

For God is working in you, giving you the desire & power to do what pleases Him.
