

# Agapé Christian Fellowship

## INVITATION

To an informal gathering for *Afternoon Tea*

with **Cindy Sauvain**

*A young woman anointed by the power of the Holy Spirit*

---

We've recently been introduced to Cindy by Marc Vialle. Cindy is from Switzerland, and at the age of 18, was radically saved and received God's call to go and preach the gospel in the nations.

After a full year in ministry, Cindy has just finished her three years at Bethel School in California, where she had the privilege of training with Pastor Bill Johnson, Chris Vallotton and many others.

Cindy travels in Europe and around the world to equip churches and see Heaven invade the earth and the Kingdom of God take its place. She believes and lives in a powerful way through evangelisation, prophecy and healing. Her passion is to see people entering into their destiny and understanding their identity as daughters and sons of God..

As Cindy will be our guest speaker at our Christmas Meeting on 17 December, we felt that a celebratory *Afternoon Tea* would be a great way of welcoming her to Agapé, and to acknowledge Marc's return.
