

Ladies Meeting 17 June '19

Greetings to all our Agapé Ladies,

We were so blessed to have Jenny Meeten with us as our speaker. We were in awe as she just lit up the room as we saw in her the 'mother heart' of God. Love flowed from her as she spoke & prayed, and her face glowed like that of an angel.

Jenny wanted to be a missionary and to stay single, but she soon discovered God's plan for her life was not quite what she had in mind. She explained that her relationship with Jesus is a love affair, just as ours should be.

She married Norman 52 years ago. He was God's choice for her and, after assisting Norman with his ministry in leading one of the early house groups & sending out missionaries around the world, she's now more involved with her local church and sharing her love of Jesus.

Jenny revealed that **Revelation 14 verses 3-4** were the foundation of her prayer to God when she first believed; she wanted to be one of those who followed the Lamb wherever He leads.

She shared her experiences of learning how to be faithful, stressing the importance of being obedient when God gives His direction. There is never a contradiction of His Truth.
